Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Shared West End Emergency Services Facility in fiscal year 2022. The entity to receive funding for this project is Chestnuthill Township, located at 271 Route 715, Brodheadsville, Pennsylvania 18322. The funding would be used for building a new Shared Emergency Services Facility that will be multifaceted and centrally located within the community. The new building would serve as an all-in-one facility with space for the West End Volunteer Fire Company, West End Community Ambulance Association, and a Regional West End Emergency Operations Center (EOC) that would serve as the EOC for Chestnuthill, Jackson, Eldred, Ross, Polk and Hamilton Townships and provide an administrative backup location for the Monroe County Control Center (MCCC) as well as the Monroe County Office of Emergency Management (MCOEM). This facility will be centrally located in the Chestnuthill, Jackson, Eldred, Ross, Polk and Hamilton Region of Monroe County. This project would provide a new and improved facility for ten emergency service organizations within Monroe County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Matt Cartwright
Member of Congress
